# HOLLYWOOD

CHAMBER OF COMMERCE

February 18, 2015

Ms. Gina Marie Lindsey  
Chief Executive Officer  
Los Angeles World Airports  
#1 World Way  
Los Angeles, CA 90045

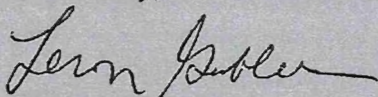

Dear Ms. Lindsey:

When we met at the inaugural run of the LAX Flyaway from Hollywood, we were enthused about this new addition for our community. However, based on reports I am receiving from members of the Chamber, I am now very concerned about this service. I have received reports that the busses have been seriously late and that passengers have frequently missed their planes. You can rest assured that someone who misses their flight because the Flyaway was late will not try the service again.

I understand that LAWA has taken steps to correct the situation with the contractor, Corinthian Transportation. However, as recently as February 9<sup>th</sup>, when one of our members took the Flyaway, it was 30 minutes late and the driver began arguing with another passenger. When our member asked politely if the driver could start so he would not miss his flight, the response was with four-letter words and he was told he could get off the bus and walk or take a taxi. This passenger has tried the Flyaway three times, with bad experiences each time, and will no longer take it.

I'm sure that you will appreciate our concerns. We would like to know immediately what steps LAWA has or is taking to correct this situation. Not only that, we want to know what type of publicity/advertising you are undertaking to restore the trust of your consumers in Hollywood that the LAX Flyaway is reliable. We do not want Hollywood to get the blame for low ridership because of poor service. I look forward to your response.

Sincerely,

Leron Gubler  
President & CEO
